Dear Dudley:

The enclosed program of work for 1969 by the Meadowbrook church in Jackson, Mississippi is something I thought you might want to see. It is a complimentary copy they sent me in view of my connections with this congregation in the past.

It is an unusual congregation attempting to do some unusual things in Mississippi. Jerry Porter preaches for this church and is doing what I consider to be a very courageous job of relating to the people of Jackson while not reinforcing their prejudices. That is a difficult position for any of us to attain anywhere, isn't it?

You don't have to return the booklet. I just wanted you to see it.

Faternally yours,

John Allen Chalk
